

# AFS Safe Year Award Application

## Award Criteria

The AFS Safe Year Award recognizes AFS Corporate Member facilities, at a single location, which have achieved one year (365 consecutive calendar days) without a lost-time incident or death. The one-year count begins the day after your last lost-time incident. When 365 consecutive calendar days have passed without a lost-time incident or death, the company may submit a verified application. Applications must be only for a 365-day period.

Only AFS Corporate Members are eligible to enter. Application deadline is June 30<sup>th</sup> of the current year. The awards will be presented at the AFS Environmental Health & Safety Conference the following fall. If you have any questions, please call (800) 537-4237, ext. 246 or email [kperna@afsinc.org](mailto:kperna@afsinc.org)
