

2024 FOUNDRY INDUSTRY 4.0 CONFERENCE

July 30-31, 2024 | Hyatt Regency | Milwaukee, WI

EXHIBITS & SPONSORSHIPS

Industry 4.0 is here. Right now, forward-thinking metalcasters are leveraging innovation and technology to boost worker safety, profits, and productivity. This conference focuses on how foundries have been implementing data-driven manufacturing, automation, and the pillars of Industry 4.0 for sustained success.

Key seminar topics include:

- A Roadmap to Build a Connected Foundry
- Data Driven Decision Making
- Generative AI in Foundry Applications
- Plant simulations and Digital Twins
- I4.0 Improving EHS Performance
- I4.0 Readiness Assessment
- Robotics
- Automation
- Cyber security

Sponsorships

Show your support for the future of foundries by sponsoring the 2024 Foundry Industry 4.0 Conference presented by AFS. Sponsors' logos will be included in all physical conference materials, onsite signage, and guides. Sponsors will be formally recognized daily during the conference and in all social media posts before and after the conference. *Sponsorships are \$850.*

Exhibits

AFS is looking for exhibitors to show off their vision of the future of foundries at the conference. Each approved exhibitor gets a tabletop booth (table and 2 chairs) and one attendee registration for the conference. Additional registrations are available at standard conference rates. Space is limited, with only 12 spots available.* Exhibits are open during the afternoon break and evening reception on July 30th. To register, fill out the form on the back of this sheet. *Exhibits are \$1,675 for AFS Corporate Members or \$1,825 for non-members. (note: At this event exhibitors are able to set up the evening of July 29 and remain set up through the entire two days of the conference, July 30-31.)*
