The American Foundry Society, Inc (AFS), hereinafter called the Lessor, and the exhibiting company, hereinafter called the Exhibitor, contract for exhibit space at CastExpo 2025 sponsored by the American Foundry Society Inc. (AFS) to be held at the Georgia World Congress Center, Atlanta, GA, April 12-15, 2025.

WITNESSETH: That said Lessors, in consideration of the mutual covenants herein set forth, and the faithful performance thereof by the Exhibitor, hereby grants the Exhibitor the right to the use of assigned exhibit space to be equipped by the Lessor, as provided by the Exposition Regulations. Said premises to be used by the Exhibitor and no other, to wit: From 8:00 a.m. Tuesday, April 8, 2025, until 12:00 p.m. Friday, April 18, 2025. Goods not removed by this hour will be removed and stored by the Lessor at Exhibitor's own risk and expense.

This agreement is made and entered into upon the following terms and conditions, which are mutually agreed to by both parties:

1. AGREEMENT & EXHIBITOR QUALIFICATIONS

Exposition Rules and Regulations shall be and are hereby made a part of this agreement. These Rules and Regulations have been drawn with the single objective of producing a successful Show, both for Exhibitors and the public. The Exhibitor agrees to the terms of this Contract and acknowledges that in emergencies and wherever the foregoing rules do not cover, Show Management reserves the right to have full power in the interpretation and enforcement of all Contract regulations contained herein, and the power to make such amendments thereto, and such further Rules and Regulations as shall be considered necessary for proper conduct of the exhibition. Exhibiting companies must be a foundries or casting manufacturers based in North America (Canada, USA, or Mexico) and either: 1) sell and/or manufacture cast metal components produced in North America or 2) provide casting design, rapid prototyping or other casting development related services to OEMs and other end-users and consulting and design services from non-north American firms are prohibited. Only one company may exhibit in a single booth.

2. COMPLIANCE & CODE OF CONDUCT

Exhibitors and all their representatives must familiarize themselves with the AFS Code of Conduct ([afsinc.org/code-conduct](https://www.afsinc.org/code-conduct)) and fully comply with it at all times. The Exhibitor assumes all responsibility for compliance with all pertinent laws, ordinances, regulations, and codes of duly authorized local, State, and Federal governing bodies concerning fire, safety, and health, together with the Rules and Regulations of the operators and/or owners of the property wherein the Exposition is held. If for any reason Exhibitor does not occupy space contracted for or fails to comply in any other respect with the terms of this agreement, the Lessor shall have the right, without notice to the Exhibitor, to sell such space or any part thereof and credit the amount received toward any unpaid balance owing on the Exhibitor's contract price.

3. SPACE RENTAL AND INITIAL DEPOSIT

The cost of space hereby leased shall be charged at \$4,000 U.S. per 10 ft. x 10 ft. booth or \$2,900 U.S. per 10 ft. x 10 ft. booth for American Foundry Society (AFS) Corporate Members in good standing. Space sizes are shown on the Floor Plan with minimum booth space at 10 ft. x 10 ft. Space applications must be accompanied by a deposit of \$1,500 U.S. that will be applied against the total space rental. The deposit is non-refundable at any time.

4. SPACE ASSIGNMENT AND PAYMENT OF SPACE

Show Management will make assignments of space guided, insofar as practicable, by expressed requirements and preferences of Exhibitors, but reserves the right to change Official Floor Plans and to assign or reassign Exhibitors for the best interest of the Exposition as a whole. Exhibit assignments will be at the discretion of Show Management, based on date of application and payment receipt along with any location requests. No exhibit space will be assigned until deposit is received.

Space assignments must be accepted with payments to be made as follows: Fifty percent (50%) of the space cost, less the \$1,500 U.S. deposit, due within 30 days after receipt of space assignment and invoice. Final payment due on or before January 6, 2025. Full payment is required for all contracts received after December 1, 2024. Failure to make timely payments may result in cancellation of space. Multiple booths may be purchased if maintaining an inline configuration; end caps will not be permitted to ensure good sight lines for all Exhibitors.

Show Management will provide a standard 8 ft. draped backwall with 4 ft. high side rails, carpeting, one 6 ft. table, two chairs, waste basket and identification sign per 100 sq. ft. contracted. Additional furniture, electric and other services may be ordered at the expense of the Exhibitor.

Lessors reserve the right to request modification or relocate or remove any Exhibit that is offensive or objectionable, that does not conform to exhibit specifications without approval, or that in Lessors' sole opinion, detracts from the character of the Exposition. Exhibitor shall make all reasonable changes to the exhibit requested by Lessors at Exhibitor's sole expense. If Exhibitor's space is modified, relocated, or removed for any reason, Lessors shall not be required to refund any payment or to reimburse Exhibitor for any cost or expense incurred. Show Management reserves the right to reassign booth space and/or alter the floor plan based on the overall good of the Show.

5. CANCELLATION OF EXHIBIT SPACE-REFUND

In the event that the Exhibitor fails to make payment per the terms of the agreement, Lessor may cancel any space assignment at its option and without prior notice to Exhibitor, and Lessor may reassign such space.

NO REFUNDS WILL BE MADE ON CANCELLATIONS RECEIVED AFTER NOVEMBER 1, 2024. THE \$1,500 U.S. INITIAL DEPOSIT IS NOT REFUNDABLE AT ANY TIME.

Any notice of cancellation or space reduction must be in writing. All payments are non-refundable after November 1, 2024, and may not be applied to other services. Payments due after notice of space reduction is received shall be reduced accordingly, however, all other payments shall remain subject to cancellation policy and Show Management reserves the right to relocate the Exhibitor in the best interest of the show.

6. EXHIBITORS' USE OF SPACE

In compliance with the official contract, Exhibitors agree not to assign, sublet, or apportion space, or any part thereof allotted to them. They agree not to exhibit, advertise, or offer for sale goods other than those manufactured in North America.

A verbal warning by Show Management will be given once to any Exhibitor violating this rule. If the violation continues, Show Management reserves the right to confiscate the objectionable material/item for the remainder of the show days, or to authorize the removal of the Exhibit booth from the Exhibit area at the cost of the Exhibiting company, including forfeiture of all charges and fees.

7. USE OF AISLES

The aisles, passageways and overhead spaces remain strictly under the control of CastExpo. No signs, decorations, banners, advertising matter or special Exhibits will be permitted in the aisles. Uniformed attendants, models, mascots, and other employees must remain in the booth occupied by their employers. All advertising distribution must be made from the Exhibitor's booth space and space must be left within an Exhibitor's area to accommodate spectators.

8. ARRANGEMENT OF EXHIBITS—HEIGHT LIMITATIONS

Exhibits shall be arranged as not to obstruct the general view or hide other Exhibits.

The standard in-line booth height is an 8 ft. high back wall with 4 ft. high division rails. No Exhibit construction and/or signage may exceed the maximum 8 ft. overall height. Sidewalls on standard in-line booths are limited to the 8 ft. height, out to one half the depth of the Exhibit space or 5 ft., and from that point to the aisle a maximum height of 4 ft. is permitted.

All exposed parts of Exhibits must be finished so as not to present an unsightly appearance when viewing from adjoining booths or aisles. Show Management may order masking drape at Exhibitor's expense if deemed necessary.

9. INSTALLATION AND DISMANTLING

All Exhibits must be completed, staffed and ready for business by Saturday, April 12, 2025, at 8 a.m. No Exhibits shall be dismantled prior to Tuesday, April 15, 2025, at noon. No crates will be delivered to Exhibitor booths prior to that hour.

11. EXHIBITOR'S AUTHORIZED REPRESENTATIVE

Such person shall be authorized to enter into service contracts as may be necessary, and for which the Exhibitor shall be responsible. A mobile phone number must be provided. Exhibitor assumes responsibility for such representative being in attendance and reachable throughout all exposition periods: installation, show days and dismantling. Show Management disclaims any and all responsibility for Exhibitor's booth and/or equipment if the above rule is not adhered to.

12. EXHIBITOR SERVICE MANUAL, SHOW CONTRACTORS AND UNION LABOR CONTRACTORS

The Exhibitors' Services Manual will be online and available for the Exhibitors' Meeting. Show Management selects certain firms as Official Contractors for Exhibitor Services, based on proper rates and their ability to meet Exhibitor requirements. The online services manual will contain names and information pertaining to various service offerings along with ordering details. Exhibitors planning to use labor provided by a Display House must notify Show Management, in writing, by January 6, 2025. Insurance forms must be provided by the Display House and must accompany this notification.

In all cases where an official contractor or contractors have been designated by Show Management to perform services for the Exhibitors, and the Exhibitor desires to contract for said services with any other contractor, Exhibitor must advise Show Management 60 days in advance of the installation in writing, and secure written permission for said contractor to work in the exhibit hall. Show Management will control all contractors. Insurance forms provided by display builder must accompany this request.

13. SAFETY, FIRE AND HEALTH

The Exhibitor assumes all responsibility for compliance with all relevant local, state, and federal ordinances, regulations and codes including fire, safety and health regulations and the Americans with Disabilities Act together with the rules and regulations of the Georgia World Congress Center. These forms should be sent to Show Management no later than March 1, 2025. Each Exhibitor using such materials is responsible for disposal of these materials, which also must be kept within the confines of the booth. This also includes waste resulting from demonstrations. Wherever demonstration materials can be considered flammable, a permit is required, and the Exhibitor is responsible for providing fire extinguishers at the location of the potential hazard.

14. DAMAGE, LOSS OR THEFT

The Lessor shall not be liable for loss or damage to property of the Exhibitor, their agents or employees by theft, fire, accident, or other cause. 15. CARE OF BUILDING

No Exhibitor may allow any article to be brought onto, nor permit any act to be done on, the premises that will vitiate or increase insurance premiums held by either Show or Convention Hall Management. Exhibitors must surrender space occupied in the same condition as at the time of occupation. Any damage done to the premises by the Exhibitor shall be made good to either AFS or the building owners, as their interests may appear.

19. PRIZE DRAWINGS/GIVEAWAYS

Exhibitor agrees and warrants that it shall not violate any copyrights, with respect to writings, music or otherwise, at the show or at any function which is part of, affiliated with or held in conjunction with the show, and the Exhibitor assumes sole liability and responsibility for their use or display of any copyrighted materials at the Show and shall obtain any and all necessary licenses from copyright owners. The imposition of one or more of these remedies by Show Management shall not in any way limit available remedies provided in other provisions of this Contract or by law.

26. EVENT CONTINUITY

If the event is cancelled for any reason and not replaced with a virtual event during a similar time period, Exhibitor will be entitled to a full refund. If the event is converted to a virtual format during largely the same time period, Exhibitor will be afforded the opportunity to exhibit virtually under separate Rules & Regulations. Should Lessor elect to cancel the Exposition, Lessor's liability to Exhibitor shall be the refund of any payments for booth space received. Lessor shall not be liable for any consequential damages which may arise from such cancellation.
